If your young person cannot make it to class, have them download the worksheet and do it at home. When it is completed, they can take a picture of it and email or text it to me. Worksheets will be due at the end of the day when class is scheduled.

So, for example, if your young person cannot make it to the Sep 20 class, they will be responsible for completing it at home and sending it to me by the end of Sep 20. If your young person comes to class, we will work on it together and they can turn in the hard copy at the end of class

I will also email you Youth Group events and schedules as they become available. Thank You
